

Liv-Space™

FROM BOMAN KEMP

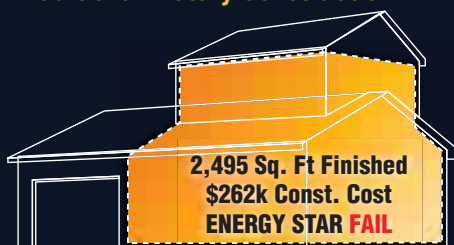

(800) 733-7886
www.Liv-Space.com

COMPARE THE BENEFITS OF BUILDING 2-STORY DOWN vs 2-STORY UP

1 Story Construction w/Liv-Space

Traditional 2 Story Construction

Comparison based on 2495 sqft. home in Ogden, Utah.

AS EASY AS 1-2-3-4

Achieve Liv-Space with the following:

1 Installing large Boman Kemp windows

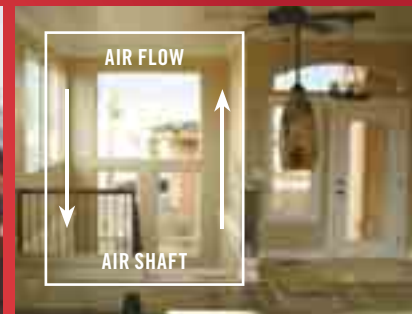

2 Increasing air circulation

3 Waterproof walls with 9' recommended wall height

4 Large open stairways for maximum air circulation

The Only ICC Approved Basement Window System in the Industry!

**ICC Approved
ESR# 1856**

Boman Kemp is proud to announce
the Easy-Buck, Easy-Well Basement Window Systems are now ICC approved.

The Boman Kemp system is the ONLY one in the industry to receive an ESR number!

Just another reason why Boman Kemp continues to be an industry leader!
